Welcome

Welcome to all teams!

After two very difficult years of restrictions and no or very few possibilities to perform and show our beautiful sport, we are very happy to be able to welcome you to the 5th edition of the Lumière Cup!

We all have been facing the same difficulties of not being able to practice, practicing with restrictions, not being able to travel, etc. And even now we still live in a time where being flexible is the keyword. Last-minute changes and decisions are the new reality we have to deal with.

We at Lumière Cup really wanted to give teams a chance to show themselves after such a long time. We worked very hard to make this competition happen in the safest way possible for everybody involved.

We would like to start by saying thank you to all teams who initially entered this competition. Thank you for being prepared to face the challenges of traveling with a group in these current times.

We had 28 teams in The Challenger Series and 19 teams in the international/Interclub competition. Unfortunately due to the restrictions in the Netherlands, we had to cancel the International/Interclub competition earlier this week. Besides this, we received several cancellations of junior and senior teams due to Covid. We really feel the pain for these teams for not being able to compete but we would like to send them good vibes and a lot of energy from all of us here at Lumière Cup to keep on going strong!

We are ready to offer you a great experience at Lumière Cup 2022! We would like to thank the great number of volunteers we have assisting us again; without these numerous volunteers, it would not be possible to make this all happen.

And also a big thank you to the technical panel and judges for your contribution to our competition.

We want to give special thanks to the IJssportcentrum Eindhoven and their staff members for working with us to make the ice rink ready for you all and welcome us all again.

Good luck to all competitors and we hope Lumière Cup will be a great experience for all of you! We hope to see you again at the 6th edition next year!

On behalf of the organizing committee,

Ellie van Soest
