Welcome

Welcome to all teams and fans!

After the difficult COVID-19 period and in particular for teams in synchronized skating, we are happy to welcome a total of 31 teams in Eindhoven for the 6th Lumière Cup.

We hope with all our hearts that this edition will be like the editions before the COVID period.

Like every year we have put a lot of effort into fine-tuning our organization on all levels. Your feedback guides us and your suggestions are fully appreciated. If you enjoy our competition, please spread the word!

We would like to thank the great number of volunteers who are assisting us again; without these numerous volunteers, it would not be possible to make this all happen.

And also a big thank you to the technical panel and judges for your contribution to our competition.

We want to give special thanks to the IJssportcentrum Eindhoven and all of their staff members for working with us to make the ice rink ready for you all and to welcome us all again.

Good luck to all competitors and we hope Lumière Cup will be a great experience for all of you! We hope to see you again in the future.

On behalf of the organizing committee,

Ellie van Soest
