Welcome

Welcome to all teams and fans!

Welcome to all teams and fans!

For the 7th time, we organize Lumière Cup in Eindhoven. This time as a Challenger event which makes us very proud. We thank the ISU for pointing Lumière Cup as one of the 5 European editions of the Challenger Series.

Besides the CS we have a great program on Sunday as an interclub competition.

All together there are 45 teams from 9 countries.

Like every year we have put a lot of effort into fine-tuning our organization on all levels.

Your feedback guides us and your suggestions are fully appreciated. If you enjoy our competition, please spread the word!

I would like to thank the great number of volunteers who are assisting on every level again; without these numerous volunteers, it would not be possible to make this all happen.

And also a big thank you to the technical panel and judges for your contribution to our competitions.

We want to give special thanks to the IJssportcentrum Eindhoven and all of their staff members for working with us to make the ice rink ready for you all and to welcome us all again.

Good luck to all competitors and we hope Lumière Cup will be a great experience for all of you! We hope to see you again in the future.

On behalf of the organizing committee,

Ellie van Soest
