Welcome

Welcome to all teams and fans!

For the ninth time, we are organizing the Lumière Cup in Eindhoven. This time, as the second competition of the Challenger Series, International and Interclub competition. We are proud to have organized this competition for so many years and to welcome many teams again in Eindhoven. We thank all the teams for their effort to come to our competition, and we will do everything to make this competition a nice and fair one for all competing teams.

All together, there are 62 teams from 15 countries competing in this 2026 edition of the Lumière Cup.

Like every year, we have put a lot of effort into fine-tuning our organization on all levels. Your feedback guides us, and your suggestions are fully appreciated. If you enjoy our competition, please spread the word!

I would like to thank the group of great volunteers assisting on every level again; without these numerous volunteers, it would not be possible to make this all happen.

Also, a big thank you to the technical panel and judges for their contribution to our competitions. We highly appreciate this and admire their tireless dedication.

We want to give special thanks to the IJssportcentrum Eindhoven and its staff members for welcoming us again and collaborating with us to prepare the ice rink for all of you.

Good luck to all competitors, and we hope the Lumière Cup will be a great experience for all of you! We hope to see you again in the future.

On behalf of the organizing committee,

Ellie van Soest
